

Inside Electrical Sales

We have a career opportunity for an experienced inside sales person. A formal electrical, electronic education or work related experience in sales and customer service in the electrical industry would be the assets required for this position. MGM Electric has a broad customer base but this position would primarily service our industrial customers.

MGM Electric is a leader in the electrical distribution market in Northwestern Ontario. We provide our staff with:

Competitive Salaries

Unequaled Benefit and RRSP Package

Intensive Product Training

Relaxed and friendly team environment

This position is in our Thunder Bay Headquarters which is located half way between Winnipeg, Manitoba and Sault Ste Marie, Ontario. Thunder Bay is great family community with three new high schools, a university and college on the shores of Lake Superior. The area provides an abundance of nature experiences along with a balance of cultural. We have a new Health Sciences Centre and Cancer Centre with some of the top medical and support personal from across the country.

If you are interested in this position, please send your resume before May 24, 2011 to:

MGM Electric Limited

724 Macdonell Street

Thunder Bay, Ontario

P7B 4A6

Attention: Human Resources Department

Or Email to tmcdonald@mgm-electric.com

We thank all applicants, however, only those selected for an interview will be contacted.
