

SPONSORSHIP PROGRAM

Become a Best-in-Class Supporter of Young Industry Professionals

The Young Professionals Network (YPN) brings together emerging talent in the Canadian electrical industry who have the tenacity, creativity and drive to move this market forward. YPN unites and strengthens young professionals across Canada by promoting peer-to-peer interaction and empowering the future leaders with insight on industry best practices and leadership strategies.

Become a YPN sponsor and help support the growth & development of young professionals in the Canadian electrical industry.
