

Become a Participating Distributor, Manufacturer or Rep for the YPN Atlantic Region's Food Drive!

A strong belief among YPN members, is the notion of giving back to the community in which we live and work. The YPN has been active in raising donations for special fundraising events on an annual basis. This year, Food Banks Canada reported "a 20 to 50 per cent increase in demand for food donations and volunteers in some regions since the COVID-19 pandemic began."

What is it?
In honour of National YPN Day on June 17th, the Atlantic region YPNs are giving back to local food banks in Nova Scotia and New Brunswick.

By becoming a participating distributor, manufacturer or manufacturers' rep in the collection of this program you will be listed on campaign communications once your interest is received.

When?
Help us from now until June 16th to collect much needed food and hygiene products for Canadian families in our local neighbourhoods.

On June 17th, we will announce the total GIVE donation through EFC communications such as social media and the newsletter.

Are you in New Brunswick?
Print this downloadable poster for collection in your warehouse, counter or office.

Are you in Nova Scotia?
