representative ahead
of rule-making
negotiations.

About Circular Materials

- **Circular Materials:**
 - ✓ National organization
 - ✓ Not-for-profit
 - ✓ Producer created and governed
 - ✓ Supporting producers with meeting EPR obligations in Canada
- **Circular Materials Ontario:**
 - ✓ Full compliance solution
 - ✓ Services to meet all requirements of the province's Blue Box Regulation

CIRCULAR
MATERIALS

Our Founders

Our Governance

Board of Directors

- Circular Materials' 15 Founders, representing food, beverage, consumer products manufacturers, retailers and restaurants.

Participant Working Group

- Rule-Making
- Reporting and Compliance
- Materials Management

We will be engaging producers, municipalities and the recycling sector to develop a comprehensive strategy throughout the rule creation negotiations that will deliver the most effective and efficient recycling system in the country.

Nicole Fischer, Chair
Circular Materials

Our Vision

- Evolving beyond product stewardship compliance to a circular economy.
- Commitment to supporting producers with achieving circularity through:
 - ✓ Enhanced collection
 - ✓ More efficient recycling systems
 - ✓ Greater access to recycled content

Advancing Producers' Interests

- ✓ Strong representation for producers in the development of the blue box collection system and the rules for its operation.

Collaborate with other producers.

Have your say in the future of Ontario's recycling system.

Cost Savings for Producers

Cost savings for
producers
through
competitive
procurement.

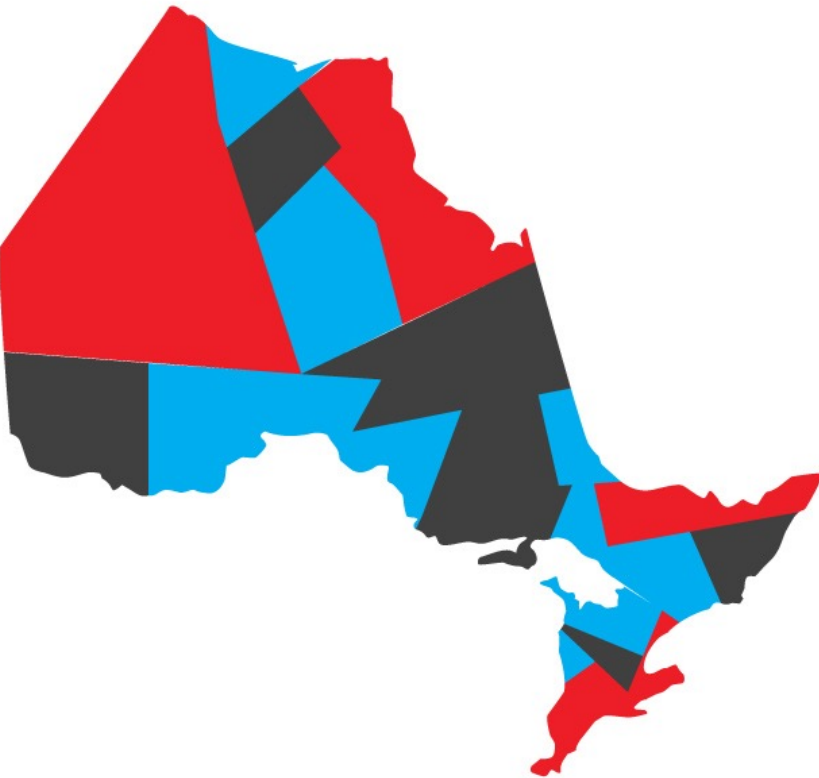

CIRCULAR
MATERIALS

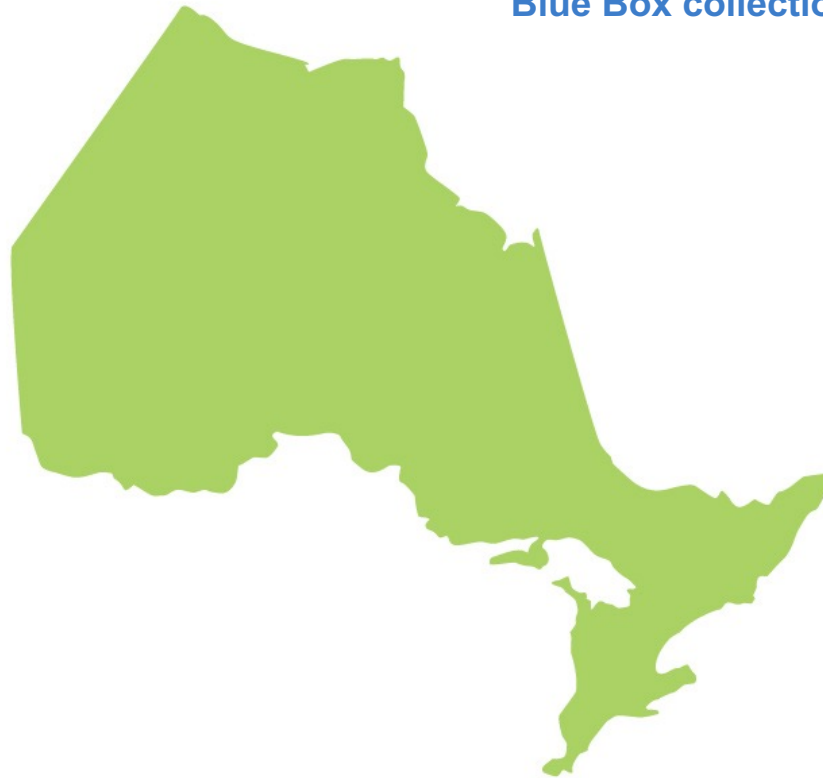

- ✓ Fair, open, competitive procurement of collection and processing services.

The Difference

Allocating
Geographies

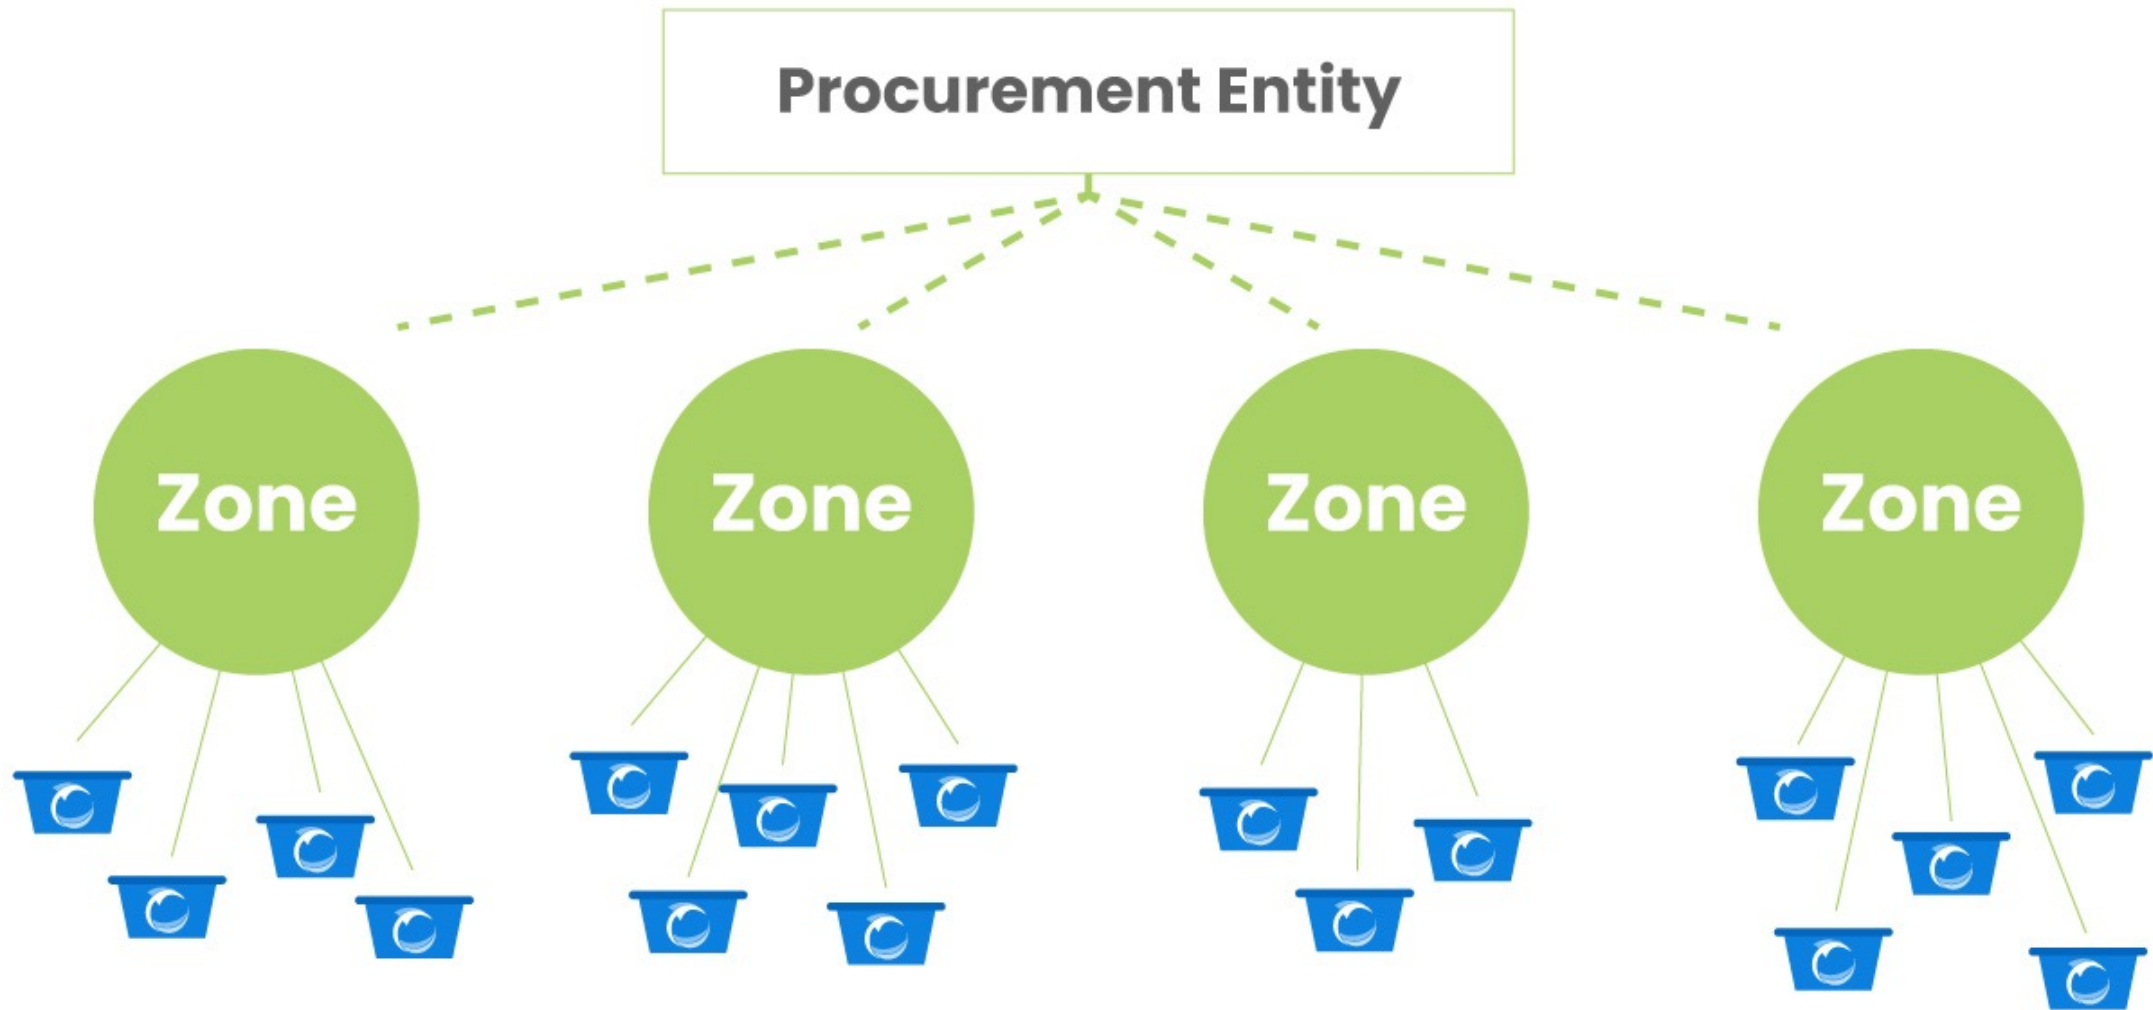

A province-wide, competitive
procurement process for
Blue Box collection contracts

- ✓ Harmonization
- ✓ Competitive procurement
- ✓ Cost-efficiency
- ✓ Fair cost allocation

Cost Savings for Producers

Commitment to Achieving Targets

- ✓ Commitment to achieving management targets for all material categories (rigid plastic, flexible plastic, metal, glass, paper and beverage containers).

**Commitment
to Achieving
Targets**

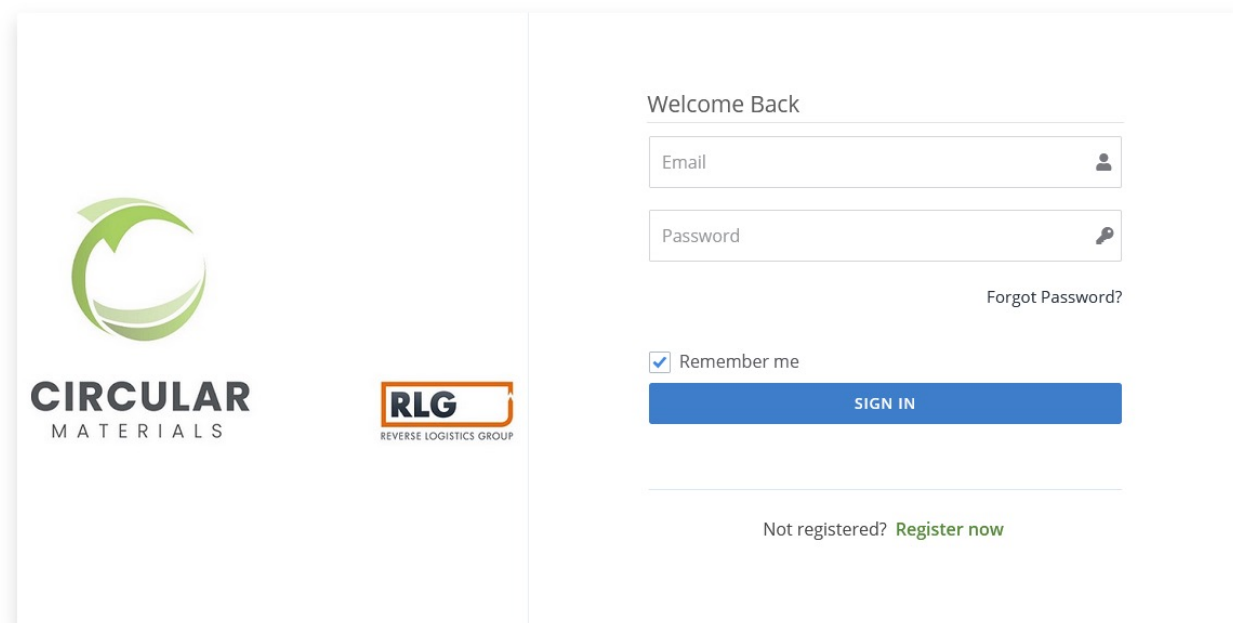

CIRCULAR
MATERIALS

In Collaboration with

- ✓ RLG is managing a secure registration and supply-to-market reporting platform and producer support.

The screenshot shows a login interface for Circular Materials. On the left, the Circular Materials logo and the RLG Reverse Logistics Group logo are displayed. The right side of the page features a 'Welcome Back' section with an email input field, a password input field, and a 'Remember me' checkbox. Below these is a blue 'SIGN IN' button. A 'Forgot Password?' link is located to the right of the password field. At the bottom, there is a link for 'Not registered? Register now'.

Track and Trace

RLG will provide an integrated IT system for traceability, so producers have full transparency into the volume of Blue Box materials recovered.

Representation and Services

- ✓ Representation Agreement appoints Circular Materials as your representative for rule creation.
- ✓ Producer Services Agreement provides the full suite of compliance services.
