

## High demand electrical gift-in-kind product

Local Habitats are in great need of electrical products. In 2022, Habitat for Humanity plans to construct over 300 new homes across Canada. Your donations will help offset expenses and ensure that our homes are built with high quality products.

Below is a list of high demand products that EFC members can donate.

Product	Quantity
Loadcentres	200
Circuit Breakers	8000
Acr fault circuit interrupters	1000
Switches & plates	9000
Receptacles	9000
Electrical boxes	3000
LED Light bulbs	7500
Light fixtures	3000
Wiring (12/2, 14/2, 14/3, etc)	940,000 ft
