

2024 IMPACT REPORT

Electro-Federation Canada

At Habitat for Humanity Canada, we are driven by our vision of a world where everyone has a safe and affordable place to call home. In 2024, 847 Canadians experienced the security of affordable homeownership through a partnership with Habitat.

Globally, as part of a network spanning more than 70 countries, Habitat for Humanity collectively helped 3 million people build or improve the place they call home.

This impact is only possible because of the incredible generosity of supporters like Electro-Federation Canada and your members. Thank you for helping us build stronger communities and brighter futures.

126

people participated in Habitat
Engagement Days

Communities supported:

Calgary AB North York ON
Hamilton ON Montreal QC
Ohsweken ON Tantallon NS
Brampton ON

855

volunteer hours
contributed

Participating members:

ABB Schneider Electric
Eaton Electrical Southwire Canada
Graybar Canada
IPEX

Participants worked alongside Habitat homeowners and volunteers, dedicating their time and talents to **support local Habitat projects**. From building homes to engaging in other impactful activities, their contributions have strengthened communities and helped families build a foundation for a brighter future.

Eaton Electrical Habitat Build Day, Hamilton ON - November 14, 2024

ABB Habitat Build Day, Hamilton ON - November 5, 2024

Graybar Habitat Build Day, Tantallon NS - September 13, 2024

Your generous **build gift-in-kind** product donations are helping Habitat Canada build more homes for families seeking safe and stable housing. By providing high-quality materials, you're reducing construction costs and ensuring these homes are built to last, creating life-changing opportunities for families across Canada.

ReStore Gift-in-kind donations support Habitat's vision in a sustainable way by providing quality items for sale at Habitat ReStores. Proceeds from these sales help build safe, affordable homes for families across Canada, giving them the opportunity to achieve strength, stability, and independence through homeownership.
