

# EFC YOUNG PROFESSIONALS NETWORK

## SHAPING THE FUTURE OF THE ELECTRICAL INDUSTRY

YPN serves as a catalyst for professional growth, leadership development, and meaningful industry engagement.

YPN is building and preparing for the next generation of leaders who will guide the electrical and automation industries into the future. Members gain access to opportunities that expand their networks, deepen industry insight, and sharpen the skills needed to lead with impact while contributing to a stronger and more connected community.

## WHO CAN JOIN?

- anyone 40 years of age or younger
- employed by an EFC member company

Whether you are building your career in marketing, finance, engineering, customer service, sales, or another field, YPN offers a collaborative space to grow your potential and elevate your role in the industry.

“Engaging with YPN has been **crucial for networking, knowledge exchange, and career growth**, all of which have contributed to my personal and professional development. It is a great **support system** where you can get feedback from like-minded individuals and help navigate your path to success.

-Nicole Griffo, Stanpro

”

# 900+

YPN's across Canada have already joined!

“The YPN is **not only the future of our industry, but its present as well**. It is the network of all our members and the only anchor point for our industry. YPN events are opportunities to speak freely in a **safe place, whether we are competitors or partners**.

-Marcos Simard, Glen Dimplex Americas

”

## YPN PILLARS

### GIVE

Actively support their communities by fundraising for local causes and charities.

### GATHER

Connecting members through networking activities from sports events to receptions.

### GROW

Fosters professional development and opportunities to join local committees and shape the program's future.
