Looking to Hire? Reach the Right Talent with EFC's Industry Careers Job Board

Finding the right talent starts with reaching the right audience. EFC's Industry Careers Job Board, powered by TalentNest, provides members with a dedicated recruitment platform for Canada's electrical and automation industry. Your job posting appears alongside opportunities from other EFC member companies and is distributed across 15 leading recruitment websites, including Indeed, Glassdoor, Google Jobs, ZipRecruiter, Monster, and more—helping you maximize your reach with a single posting.

Industry Careers is more than a job board—it's a member benefit that supports the industry's long-term workforce needs. By bringing together career opportunities from across our membership, we're helping showcase the breadth of careers available in Canada's electrical and automation industry while providing members with a targeted recruitment platform at preferred member pricing.

Why Post with Industry Careers?

- Reach talent interested in building a career in Canada's electrical and automation industry.
- Post once and distribute to 15 leading recruitment websites.
- Showcase your organization alongside Canada's leading electrical and automation companies.
- Benefit from preferred EFC member pricing.

Member pricing: \$275 CAD (plus applicable taxes) per job posting. Discounted packages are also available for organizations with ongoing hiring needs, including 10, 20, 50, and unlimited posting options.
