A Career of Challenges, Opportunities and, Above All, People

As Carol McGlogan prepares to retire following 40 years in the electrical industry, including the past decade as EFC's President and CEO, she reflects on the people, challenges and opportunities that have shaped her career. In a personal farewell message, Carol shares her gratitude for the colleagues, volunteers and staff who have been part of her journey, along with her optimism for the extraordinary opportunities ahead for Canada's electrical and automation industry.

REMINDER: Ontario YPN GATHER Holiday Floral Workshop | December 10 – Celebrate the season with fellow YPNs at this hands-on holiday workshop! Catch up with familiar faces and meet new industry peers while creating a festive centrepiece to keep or give as a gift. Register now.

RECAP: EFC Atlantic Panel Power Lunch – On November 19, EFC Atlantic members attended a panel presentation on smart buildings and energy management at the Best Western Dartmouth Hotel and Suites. Speakers Andrew Pottier, UL Solutions, and Wissam Ghoussaini, ABB, looked at several aspects of building intelligence from what the space looks right now, how integrated systems can be connected and optimized, electrification around EVs and the CE Code and making adaptations for future-ready buildings. The event concluded with an engaging Q&A discussion moderated by Dale Nicholson, Rexel Atlantic. View the LinkedIn post | Go to the photo gallery

RECAP: EFC Atlantic Family Fun Day – EFC Atlantic members visited the Beaty Centre for Marine Biodiversity in Halifax on November 21 to mark the region's 5th annual Family Fun Day. The museum tour kicked off with an overview of Nova Scotia's local marine life from an Ocean Science Interpreter before viewing several aquarium exhibits featuring different fish species like Atlantic Wolffish, flounders, and even blue lobster! A highlight of the tour was an impressive 18-metre long blue whale skeleton suspended from the ceiling, which is part of an augmented reality experience that showcases the sheer scale and beauty of these ocean giants.
